

BUSINESS CONSULTANT SERVICES

Antione T. Turner stands at the forefront of health-care reform and business value acceleration, offering invaluable insights to savvy business leaders in California. As a contributing author of the best-selling book “**Healthcare’s C-Suite Solution,**” he unveils transformative strategies for business owners and their executive teams to curtail healthcare costs

while unlocking the value trapped in the business and reallocating recaptured resources to raise company value. With over two decades of expertise in business strategy and decades of experience from his team of strategic partners, Antione serves as the CEO of **The Circle of Wealth Companies**, a beacon of empowerment for business owners and families seeking to leverage capitalist opportunities for community upliftment.

To meet this “On The Move” CEO and download a complimentary excerpt of the best-selling book “Healthcare’s C-Suite Solution,” visit www.CircleToWealth.com or visit Mr. Turner on LinkedIn.
